**Welcome home ...**  
*... and welcome to homeownership!*

These brand-new LEED Gold-certified homes feature beautiful, designer finishes and money-saving energy-efficient appliances! You'll feel right at home in the bright, spacious rooms and can spread out with the open floorplan!

**Additional Information:** these homes are made available below market prices to households at or below 80% of area Median Family Income (MFI). Additional details about the home-buying process and requirements are available at PCRI.

Please call Ben Loftis to arrange a private viewing:
